## Business Development Manager

### Description

The HR Booth are recruiting for a Business Development Manager on behalf of a packaging and crate company based in Aberdeen. We are looking for a self-starter and motivated candidate that has a minimum of 5 years experience in an account manager/business development environment. Experience selling within manufacturing and engineering

and the food and drink industry would be ideal, but not essential. You will be responsible for working with existing customers to manage the relationship and also generate new opportunities for the business.

Experience/Skills Required:

- Proven background in account management and sales.
- Microsoft office experience • Relationship building
- Highly organised
- Driving License

This is a high growth business where culture is important. As such, they offer a flexible approach to working hours, including early finish on a Friday, 30 days holidays, company car, bonus and ongoing training and development.
