Business Development Manager

Description

Pitreavie Group, who specialises in packaging, strapping and assembly tools are now recruiting for a Business Development Manager based from their branch in Worcester but with a reach across the UK.

They specialise in Strapping and associated tooling, Machine stretch wrap and stretch wrapping machines and the want to grow their already worthwhile polythene business.

They have 4 UK branches, and you would be working out of their Worcester branch which has been trading from Worcester for 40 years.

The company's core values are Passion, Innovation and Care, and therefore candidates must be able to demonstrate how they live up to these values.

You will be responsible for developing new business relationships and working with existing customers to generate new opportunities for the business.

They are looking for a self-starter and motivated candidate that has a minimum of 3 years experience in a similar sales environment whereby experience in manufacturing and engineering would be ideal.

Other experience:

- Proven background in sales
- Experience within strapping, assembly tools or packaging essential
- Microsoft office experience
- Eligibility to work in the UK
- Driving License

This is a fantastic opportunity with great career prospects as the current manager is retiring in 18 months' time.

This is an exciting opportunity to join a high growth business, and in return you can expect a competitive salary, company car, generous holiday entitlement and a range of other benefits.

This is a regional role, covering Lancashire to Birmingham, and candidates should ideally be located in the Stafford area, but other locations will be considered providing candidates can travel across the region, covering Birmingham, Derbyshire, Lancashire etc.

If you are interested in this role, please apply below to send in a CV.
